

Surviving Engine Failures and Fires in Flight

Come spend 90 minutes with an expert who will teach you how you can survive these two worst case scenarios. This hands on entertaining class is based on the real-life experiences of the master instructor and you will leave with valuable tools to help you survive.

Directions: This is a free class included with admission to Airventure. For info please visit www.EAA.org

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
