

Using Technology to Review Your Flights A Guide for CFIs Students and Pilots

Learn from a Master CFI how using technology to debrief your flights can make you a much better pilot. Every pilot, AND INSTRUCTOR, should know these simple ways to look back at a flight to see what went right and areas that could be improved upon.

A great class for every pilot and CFI.

Directions: This is a free class included with admission to Airventure. For info please visit www.EAA.org
