

## Flying Together Can We All Get Along?

### The Kings on Flying Together—Can We All Get Along?

John and Martha have piloted an aircraft together for tens of thousands of hours in 6 of the 7 continents, but surprisingly enough they haven't always gotten along all that well together in the cockpit. In this this humorous and deeply personal talk, the Kings will reveal why sharing the cockpit can be so difficult and what they learned to make it a profoundly rewarding and fun experience.
