

FAASTeam presents:

SkyChicks Back-Country Flying Adventures

SkyChick's fast-paced multi-media presentation is packed with stunning photos and action-packed videos of some of the best back-country airstrips in north America. Areas of discussion will include density altitude considerations, techniques for protecting the prop on rocky airstrips, situations where a go-around is not an option, ways to avoid hidden ground obstacles, wildlife on the runway plus other topics unique to back-country flying. Flying tips and destination suggestions have been selected to accommodate various skill levels. Humor combined with spine-chilling real-life scenarios and lessons learned will surely keep you on the edge of your seat. Each attendee will receive SkyChick's Ultimate Air-Camping Checklist along with a chance to win her DVD – Flying Off The Grid.

Directions: This free safety seminar is part of the 3 day Flying Aviation Expo. For more information and admission please visit: www.Aviation-Xpo.com

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
