

## Torrance Noise Abatement

From Phil Bradshaw, Environmental Quality Officer for the City, you'll learn: An overview of the Municipal Code and how it applies to aircraft operations. The Airport Noise Operations Management System + WEBTRAK - where the noise-sensitive areas are located. The ins and outs of violation enforcement. With a Q & A session to cover all the bases.

So you can better plan your flights to fly safely and avoid violations.

**Directions:** Main meeting room at the General Aviation Center
