

Understanding Why Human Factors are so Important

Empowering Pilots to Identify Dangerous Human & Natural Factors

Directions: (The maps of the location are posted on the Eventbrite Site of this event listed below.) From 405 Hwy, take the Exit at Manhattan Beach Blvd. After passing Pacific Coast Hwy (1), then turn right on Highland Ave. The Library is in between the 13th St. and the 15th St. The parking lots are either behind the Library (on 13th or the 15th St), across the Highland Avenue, on Valley Dr., or nearby. Some are free and some are metered. Please see the link below for parking information. There will be AIAA signs and banner at the meeting room door. Follow the map and those signs / banners. Ask the front desk of the Library if not sure. Any question please contact (949) 426-8175 or events.aiaalv@gmail.com
<http://www.ci.manhattan-beach.ca.us/city-officials/finance/revenue-services/parking-services>
Lot 8 - Free - 10 hour limit, Lots 5, 6, 14, & 15 - \$.75 per hour - 2 hour limit

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!
