

FAASTeam presents:

And The World Turned - Spin Testing

Understanding why Human Factors are so important, & how flight safety might be influenced, especially for piloting aircraft with Critical Decision Making, emergency bailout planning factors and considerations, coping with stall, departure, spin and spin-recovery, etc. from an experienced USAF Experimental Test Pilot and Flight Instructor of USAF Test Pilot School.

Directions: (The maps of the location are posted on the Eventbrite Site of this event listed below.)

From the 405 Freeway, take the Exit at Manhattan Beach Blvd. After passing Pacific Coast Hwy (1), then turn right on Highland Ave. The Library is in between the 13th St. and the 15th St. The parking lots are either behind the Library (on 13th or the 15th St), across the Highland Avenue, on Valley Dr., or nearby. Some are free and some are metered. Please see the link below for parking information. There will be AIAA signs and banner at the meeting room door. Follow the map and those signs / banners. Ask the front desk of the Library if not sure. Any question please contact (949) 426-8175 or events.aiaa1alv@gmail.com
