

# EAA Technical Counselor E-AB Airworthiness Inspection Prep With Dave Rizio

For our Sept EAA Chapter 92 meeting, join us for a tutorial on how an EAA Technical Counselor and the E-AB aircraft builder need to prepare for the initial Airworthiness Inspection and FAA sign-off, prior to the first flight and Phase 1 Flight Testing. Content will include the build documentation and application paperwork needed for the inspection, the process steps followed in the inspection and aircraft sign-off, particular areas of the aircraft build quality to focus on, and common builder errors that inspectors encounter.

**Directions:** On Sand Canyon Avenue between the 5 and 405. Corner of Sand Canyon and Waterworks Way. Turn LEFT after entering parking lot from Sand Canyon. If entering from Waterworks Way, continue through parking lot to SECOND building. Follow signs to Community Conference Room in 15500 Sand Canyon building.

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
