

## IFR Mastery with Gary Reeves

This special 2 hour class will include some of the most popular tips and tricks from the top national expert in single-pilot IFR, Gary Reeves. This class is great for anyone who is an instrument student, pilot, or Flight Instructor. These are tips that will make your single-pilot IFR flying easier and safer and show you how to get the most out of some new ForeFlight features.

Gary Reeves is an ATP, Master Instructor with over 7,500 hours. He is the only national training provider for both Avidyne and Genesys, and was recently named the 2019 FAA National Certificated Flight Instructor of the Year.
