

FAASTeam presents:

Los Angeles Regional Helicopter Safety Stand-Down

Attention all helicopter Managers, Mechanics and Pilots! Join us for the very latest information on the safety issues facing the rotorcraft industry presented by some of the top industry experts in their field. A panel of experts from Manufacturers, Helicopter Safety Alliance, FAA Safety Team, and the Long Beach FSDO will discuss local issues affecting helicopter pilots, accident trends, personal risk assessment, safety initiatives, and many more topics relevant to all operators. This is going to be an extraordinary gathering of the rotorcraft community in one place. Don't miss this unique opportunity to learn, share with your peers, ask questions, and have your voice heard. What you learn may save your life!

Helicopter Safety Alliance and the US Helicopter Safety Team (USHST) work together in promoting safety in the helicopter industry. This event is being held the following day of the USHST events that are occurring on August 14-15. The date of this event is Friday August 16. The all day event will be held at the Robinson Helicopter Company in Torrance, California.
