

## So You Want to Get your Instrument Rating Hybrid Meeting

It is commonly understood that a Private Pilot will become a better pilot when they earn their Instrument Rating. It is also commonly misunderstood that earning this rating will cause you to fly in weather beyond your abilities. We'll take a look under the hood of this training and explore the Why (and Why Not!), How, When, and more about this training.

**Directions:** Conference Room

Onsite parking is somewhat limited, so come early! Overflow parking is somewhat available further along Airport Avenue, or at the main terminal building with a short walk. Prior to attending, please review and abide by current CDC, State, and Local health guidelines.
