Fly Like A Pro

This month, Captain Karen Kahn, has agreed to Zoom in to present 'Fly Like a Pro' to FAPA. We will meet in person with a live connection to Karen. As a professional pilot, Captain Kahn flew for over 30 years with the major airlines and will address topics that include:

How to fly/communicate like a pro

How to organize your planning

Getting the best service from ATC

Dealing with inevitable changes aloft and on the ground

Karen will discuss her COPE strategy and respond to audience questions. She would love to hear from us regarding topics of interest so she can address our questions or concerns during the presentation. You can enter any question or comment about situations you have encountered or issues that you'd like to hear addressed during this meeting at: <http://bit.ly/3mzc3Z9>

Directions: Meeting room is in the maintenance hangar of the building previously known as AFI, which is the building west of the main terminal building at the airport with plenty of parking lot spaces available.
