

ForeFlight Weather and New Features

Tonight, we'll review some recently added features of the ForeFlight Electronic Flight Bag tool, and take a close look at the wide range of weather information available in different forms. Our speaker is local Flight Instructor Mike Jesch, who has been using and teaching ForeFlight and other EFB tools for over a decade.

Directions: Meeting room is the main maintenance hangar at Aviation Facilities, Inc (AFI), which is the building west of the main terminal building at the airport.
