

Get To Know Your Local FAA

Learn how the FSDO can be a resource for you. This lighthearted discussion will give an overview of the services offered by the LGB FSDO along with the various other FAA offices that can provide assistance to you.

Our speaker will be Nate Morrissey who is currently the FAA Safety Team Program Manager at the LGB FSDO. Nate has been with the LGB FSDO for 17 years and is a pilot himself. Nate will also discuss safety issues he sees routinely to include the pilot deviation process, what to know, and how to avoid them.

NOTE: NEW LOCATION!

Meeting room is the main facility for Hangar 21, where Magnolia Ave ends at Commonwealth Ave.
