

SoCal Approach Pilot/Controller Forum at SNA With Rob Reddeg

Robert Reddeg of the National Air Traffic Controllers Association and Controller in the SoCal TRACON will discuss various issues regarding our busy airspace. Pilots will benefit from understanding our airspace from the controllers' point of view.

IFR flights, VFR flight following, transitions through Class B, C & D airspace. Airport approaches and arrival and latest updates to the airspace system and more will be discussed.

John Wayne Airport Administration Building, 3160 Airway Ave, Costa Mesa, CA 92626, 7PM. This event will be approximately 2 hours.

A message from the National FAASTeam Manager
