

# ATC Communications - In and Around the Los Angeles Class Bravo Airspace

Learn how to better communicate with ATC when flying in and around the LAX Class B airspace.

From along Alondra Blvd, enter through fence on north side across from Dwight Ave. Just through the fence, turn left along the fence to the parking lot on the south side of the EAA Hangar. Enter through door on the south side or east side. This even will last approximately 1.5 hours.

## A message from the National FAASTeam Manager
