

CFI Open Season

We'll have a small panel of several area CFIs with a broad range of experience and expertise, who will be prepared to answer any questions from the audience. Whether you're interested in aerodynamics, regulations, systems, airspace... whatever the issue, if we don't know the answer, we'll help show you where to look it up. So, dig up your best questions (write them down, so you don't forget them!) and let's get you the answer!

Meeting room is the main facility for Hangar 21, where Magnolia Ave ends at Commonwealth Ave. This event will last approximately 1.5 hours.
