

Density Altitude & Mountainous Terrain Flying

This event is co-occurring with the 99's Air Race Classic. There will be a two hour discussion/talk on the effects of density altitude on aircraft and pilot performance with brief quiz at the end.

Directions: From KHII south on HWY 95 to Palo Verde South, right to London Bridge Road then left to hotel. Seminar will be held in the "Bridge Room"

A message from the National FAAS Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
