Comments From Course Participants of the CFI Seminars:

- *The entire course was outstanding and very well presented”*
- *“As a CFI-A this course was valuable to me. It refreshed a lot of material for me and also made clear some important facts”*
- *“Thanks for a great job and sharing your experience”*
- *“Excellent, good material, good presentation skills. P.S. Real World”*
- *“Very good review of real world testing combined with FAA standards. Your class fills a big void in the educational system”*
