

On Weather

Considerations of various weather phenomena across the U.S., presented as a video and discussion of pilot's decision making related to flight safety.

Directions: Park on the airport terminal parking lot, as close as possible to the the SE side. Walk East on the perimeter road along the fence bordering Deer Valley Rd, passing the main TransPac building and to the East of it is a small parking lot and the classroom building with double doors. Doors may be closed or locked, but someone will open them for you. Classrooms are to the East back inside this building.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
