

N/A presents:

Arizona Business Aviation Association Aviation Safety Day

The Arizona Business Aviation Association will hold its first-ever full-day safety event on Nov. 13, 2012, in Scottsdale, AZ, with speakers discussing topics from SMS and how to handle medical problems when traveling, to media relations and runway safety. Those who attend the Scottsdale event will hear presentations by Col. Mark Tillman, the former commander of Air Force One who flew President George W. Bush on Sept. 11, 2001, and by Greg Feith, a former senior air safety investigator with the National Transportation Safety Board. Go to www.AZBAA.com for \$FEE\$ Information, registration and sponsor opportunities. Or SEE Pdf Attachment Fact Sheet.

Directions: Head east from the Scottsdale airport to Hayden. Turn left on Hayden heading north. Turn right on Frank Lloyd Wright heading east. Turn left on Pima Road. Turn left on Perimeter Drive. Hotel will be straight ahead.

A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
