

# Tucson International Airport Q&A Safety Seminar & Tower Tour

A special opportunity for pilots to interact with Air Traffic and discover the many services they have to offer. All it takes is one little radio call and you can hear those magic words, "Cleared for Take-Off!" ATC can offer; traffic separation; practice instrument approaches; and much more!

**Directions:** The Executive Terminal is located at the base of the KTUS Tower.

Seminar to be held in the Tortuga Meeting Room, inside the Exec. Term.

Free vehicle parking in the public lot across from the Executive Terminal along the fence.

Tiedown parking is available at the Executive Terminal at the base of the TUCSON tower. The Executive Terminal also offers covered ramada parking for seven aircraft.

## A message from the National FAASafetyTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
