

# Use of iPad as Electronic Flight Bag \*WORKSHOP ONLY\*

## ForeFlight, Garmin Pilot & Wings X Pro 7

\*NOTE\* THIS A WORKSHOP, NOT A PP PRESENTATION SEMINAR. ATTEND ONLY IF YOU BRING YOUR IPAD!!! AZ FAASafetyTeam Representatives will instruct attendees on the use of the iPad as an electronic flight bag.

\*Please read attachment below\*

Approximate 3 hour Event - estimated end time is 12:00pm.

**Directions:** The City of Prescott Centennial Center, often referred to as the old clubhouse, is located on the southeast side of the threshold for runway 3R at KPRC, or directly behind Legend Aviation, the FBO. Aircraft parking is also available at the airport transient ramp but transportation will need to be coordinated with the sponsor point of contact. Automobile parking is available at the Centennial Center.

### A message from the National FAASafetyTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
