

AWP-204 AZ FAAS Team presents:

## **CFI Open Forum - CFIs, DPEs, CFI candidates, & iPad Use Info**

FAASTeam Flight Instructor Open Forums provide an opportunity for Flight Instructors, Ground Instructors, Designated Pilot Examiners, and the FAA Safety Team (FAASTeam) to meet and discuss one or more of the Top 10 Causal Factors in General Aviation Accidents at each Open Forum. In this forum, we'll discuss Instructor professionalism, Loss of control & Runway / taxiway Safety. Using PP presentations from SAFE, presenters will lead a group discussion on these topics. Last part of this forum we'll demonstrate iPad use & info. We encourage all participants to share ideas and ask questions that will lead to a better understanding and higher standard for our profession. "Participation in this meeting does not result in credit for CFI renewal"

**Directions:** Deer Valley Airport Restaurant is located in the main terminal of the Deer Valley Airport. The Forum will be located in the private meeting room. \*If you wish to order food before the meeting you have the option to order off the menu at your own cost\*
