

What if? Accidents caused or avoided via Pilot management skills- Safety Seminar- SEZ Airport

In this seminar we discuss accidents caused by Pilot error management and how the Pilot could have avoided them if they has just asked themselves "What if"?

Directions: DRIVING- From HWY 89, go up airport road to airport, turn right into airport. Parking may be difficult due to 'Sedona Airport Day' event (see pdf flyer attachment below). FLYING - a short walk into the airport terminal. Caution is advised - many aircraft arriving for airport day!

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
