

FAASTeam presents:

Wings Safety Event

Learn about the traps when using GPS; a discussion of the impact of the airspace change involving the PHX TRACON, and a discussion on the "How did the military Search & Rescue exercise" go.

Directions: Located on the Sedona airport. Turn left at stop sign just past Sky Ranch Motel. Easy walking distance from airport ramp.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
