

Carefree SkyRanch 2015 Air Fair

Pike Kelly will discuss the special attention pilot/owners must use as their aircraft age.

Directions: Carefree Skyranch is located in the town of Carefree, Arizona. If taking Cave Creek Road north through the towns of Cave Creek and Carefree, the airport is on the far east side of Carefree. Use caution for congested areas in both towns and strictly enforced speed limits. The most direct route is to take Pima Road north from the Loop 101 until it intersects Cave Creek Road. Turn left on Cave Creek road and the Sky ranch terminal building is about a quarter mile on the right. There will be limited parking available at the terminal building so park along Cave Cree Road and walk to the building and flight line.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
