

Takeoffs and Landings Clinic, Review of Basics

Video presentation and discussion of this phase of flight, most prone to mishaps. Relative questions will be answered. Of great interest to Pilots and Instructors of all ratings and levels of experience.

Directions: Enter Honeywell entrance from the East side of 19th Ave, 1/4 mile South of the Deer Valley Rd intersection. Turn right into a parking lot West of the facility and park. Walk East across to an illuminated entrance on the West side of the building. A guard will direct you to the presentation room.

A message from the National FAAS**T**eam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
