

Procedures for Operating In and Out of Scottsdale Airport

Join Air Traffic Control Tower and airport staff for an interactive session on Scottsdale Airport (SDL) air traffic control, safety, security, noise abatement, and other airport information. This briefing is open to all pilots, regardless of experience level. We will also be discussing the Bravo taxiway construction at the airport.

Directions: The seminar will be in the main area of the Scottsdale Terminal.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
