

# VFR Chart Airspace and Legend Symbology Workshop

Bring your paper or electronic charts and challenge yourself and others on using charts to maintain and improve safety during your flight operations. Current charts are preferred but not required as this is a workshop covering the information contained on a chart.

This workshop is a good prep. for the ground portion of a FAR 61.56 Flight Review.

Event will be approximatel 1- 1 1/2 hrs. duration.

**Directions:** Cottonwood Airport: Past through the terminal to Hangar B which is the 1st hangar next to the terminal. Restrooms are in the terminal.

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
