

The FAA Safety Team presents:

Helicopter Loss of Control (WEBINAR)

Join us at this informative Helicopter Safety Webinar presentation "Helicopter Loss of Control". Our guest speaker is J.B. Williams, AFS-850 National FAASTeam Helicopter SME, FAASTeam Sharepoint Manager and FAA Safety Inspector and author of this Webinar subject material "Helicopter Loss of Control". At this webinar he will cover: What is Loss of Control, Examples of Loss of Control, Factors that Lead to Loss of Control and the Maneuver Initiation Envelope. Please join the discussion with the goal of reducing Helicopter Accidents through continued education.

Please disregard total number of seats available at facility, please register at the GoToWebinar link below.
