

WINGS Safety Program

A refresher on aviation weather and preflight briefings, plus a look at the 4 fatal accidents in the state of Arizona during the past 6 months

Directions: Driving from town, go south on Rte. 87, take 2nd right turn onto Airport road, follow signs to parking.
Flying - just park on main ramp.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
