

Southeast Arizona WINGS Seminar

Dr. Mark Carnett, Senior AME, will discuss Medical Considerations for the Aging Pilot and provide a general overview of Third Class Medical Reform.

Angelo Petropolis will discuss Angle of Attack (AoA) Indicators.

Ernie Copeland, FAA Safety Team Program Manager, will discuss the FAA's Compliance Philosophy

Directions: Flying In: Transportation to the event and return to airport will be available. Please contact James Short (info below) before the event date if you need transportation.

Driving: from the intersection of Fry Blvd & SR 92 drive east 1 mile on SR 90; turn north on Guilio Cesare, then 4 miles to Public Works parking on the right. Look for event signs.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
