

Runway Safety at Deer Valley Airport

Runway Safety embodies a safe flight — both at its start and at its conclusion. It continues to be one of the FAA's highest priorities and encompasses pilots, air traffic controllers and airport vehicle drivers. Our presentation will offer guidance, resources and expertise and welcome your questions, comments and suggestions.

Directions: Meet at the Deer Valley Airport Restaurant. Presentation will begin at 9am and conclude at 11am. Arrive early for breakfast or stay late for lunch (on your own)

A message from the National FAASTeam Manager
