

## Wings Safety Seminar

Jim Price will present the ADS-B seminar. What is it? Why do I need it? How does it work? How much will it cost me? Many owners have already equipped their airplanes, but time is running out for the rest of us.

**Directions:** Park in the designated area and walk through the main gate to the hangar to thr right.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
