

Arizona Winter Weather Flying Conditions

Considerations of various winter weather phenomena across AZ presented as a video and discussion of pilot planning and decision making, as related to flight safety and compliance with regulatory requirements for VFR and IFR flight.

Directions: Enter main entrance on east side of 19th Ave., 1/4 mile south of the Deer valley Road intersection. Turn right into visitors parking lot west of the facility and park. Walk across to an illuminated entrance opposite the parking lot. Entrance is on the west side of the building. A guard will direct you to the presentation room.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
