Select #: WP0774442  
Representative EDWARD WILLIAM MILLER

**Directions:** The ASU Polytechnic Campus is adjacent to Williams Gateway Airport on the West side. The Simulator Building is across S. Sossaman Rd from the FBO (Gateway Aviation Services).

The seminar will be held on the 2nd floor.

Fly-In: Park at Gateway Aviation Services. Ramp fees are waived for seminar participants. If you plan to fly in, notify Edward Miller, [av8in4fun@gmail.com](mailto:av8in4fun@gmail.com). Include your name, type of aircraft, and tail number. A list of aircraft of attendees will be provided to Gateway Aviation Services who will use the list to authorize the ramp fee waiver.

Driving. Exit AZ-202 (Santan Freeway) at Power Rd and head South. Turn left on E. Ray Rd. Turn right on S. Sossaman Rd. Turn right on E. Tahoe Ave and follow it around to Innovation Way N. Turn left on Innovation Way N. You will be headed East, the Simulator Bldg is on the left and Lot 16A is on your right. You may park in Lot 16A for this seminar. The entry for Lot 16A is on the East side of the lot. Follow Innovation Way N around the corner to Innovation Way E and the Lot 16A entry will be on your right. Once on Innovation Way there will be signs guiding you to parking and the Simulator Building.

### **A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
