

AFTW (Arizona Flight Training Workgroup) Meeting

Instructors and school representatives meet to address risks and safety management issues when conducting flight instruction in Arizona. Standing topics are: airports, airspace, Airmen Certification and Practical Test Standards tasks and elements, and other flight training and pilot testing issues. We will review our recent project to make major edits to the Phoenix Airspace Overlay Chart.
Scheduled 9:30 to 11:30 AM.

Directions: Check in at the reception desk

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
