

## Winter Flying Safety Program

Learn how to approach the weather conditions during the winter season in Northern Arizona as well as taking care of your airplane during the winter season.

**Directions:** Location is Hangar B, right next to airport terminal building.

Driving: From 89A, turn left (south) on W. Mingus Avenue, then left again to airport terminal building parking lot..

Fly-in: park in transient parking on west side of runway. Self serve fuel \$4.26

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
