

## Traffic Pattern Operations

Say again? Am I cleared to turn base? Where do I enter when instructed to make right traffic? Why is Tower informing me of aircraft holding in position? These are just some of the questions we will answer as we refresh our aviator minds with the clearances, instructions and procedures we use in the pattern at a Controlled airport.

**Directions:** From US60, head east from Phoenix and exit at Higley. Head North to Falcon Drive and then head west and CAE will be on your right, north of the street. Park in the parking lot across the street to the South.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.

### Event Details

**Sat, Feb 17, 2018 - 09:00 AZST**  
**CAE Oxford Aviation Academy**  
5010 E. Falcon Dr  
Mesa, AZ 85215
