

## ForeFlight and iPad use

You will need to bring your iPad and have a subscription to ForeFlight loaded on it. This seminar will teach you how to make a flight plan on your device, and edit it as needed. What do you need to know about using an iPad for navigation, and having a back up plan.

**Directions:** La Cholla Airpart (57AZ) is located north of Tucson in Oro Valley. Take La Cholla Rd north until you cross Moore Rd and enter the airpark. Drive straight ahead to Cessna Way and turn right to the meeting room. If you want to fly in, you must register for the seminar on line and then complete the Prior Permission form at:  
[www.lachollaairpark.com/document\\_view.asp?id-533](http://www.lachollaairpark.com/document_view.asp?id-533)

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
