

FAASTeam presents:

Ryan Airport Local Runway Safety Meeting (LRSAT)

The runway safety action team (RSAT) meeting provides an opportunity for airport users and tenants to discuss airport surface safety concerns in an effort to reduce risk. The agenda items for the meeting include a discussion of runway and/or taxiway changes, markings, lighting, electrical, signage, and procedures. The team will also discuss open and recently closed action items, and review runway incursions and surface deviations that have occurred in the past 12 months. The meeting is open to all airport users and tenants.

Directions: Fly-ins: Take taxiway B2 south to the parking apron. Meeting is in the Terminal Building south of the ramp. Driving: From Tucson on I-19 south take Exit 99, SR 86/Ajo Way. Turn right at the end of the ramp. Stay on Ajo Way for 14 miles, the airport will be on the right. Driving: I-19 northbound take exit 95, Valencia Rd. At the top of the ramp turn left and head west approximately 14 miles. Valencia Rd. ends at W. Ajo Highway at the airport's east entrance. Turn left onto W. Ajo Highway. The terminal is approximately 1/4 mile on the right.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!
