

## Safely Flying in and around Military Airspace

This briefing will cover the different types of Special Use Airspace (SUA) in Arizona and SoCal, provide recommendations on how to transition the SUA's and what to look for when flying around SUA's. Members from the Luke A.F.B airspace office and from Marine Corps Air Ground Combat Center 29 Palms will provide an indepth briefing on the types of Military Speicail Use Airspace (SUA's) in the region, the military mission supported by the airspace. What are the rules for flying in SUA's, as well as, how to safely fly in and around SUA's. Provide a update on redesign of SUA's in the 29 Palms area.

**Directions:** From State Highway 95 turn on to Airport Centre Blvd. Turn right at Whelan Dr and follow the signs to the terminal parking lot.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
