

SDL FSDO FAASTeam presents:

# **19th Annual Mesa Police Aviation Safety Fly-In and FAA Helicopter Safety Seminar**

**REGISTER BY MARCH 27 TO RESERVE YOUR SEAT! PLEASE SEE ATTACHED FLYER FOR FLY-IN INSTRUCTIONS.**

This year, the Mesa Police Air Support Unit has partnered with the FAA Safety Team to provide free safety training, in addition to an opportunity to connect with fellow aviators. A great opportunity to share best practices and learn strategies for mitigating risk. You can also visit the onsite industry booths.

NTSB Investigator Andrew Swick will present a case study from a local fatal accident involving a Helicopter Air Ambulance.

PHI Air Ambulance Pilot and FAASafety Rep Jeff Hurd will present an interactive case study of an Alaska DPS accident.

Designated Pilot Examiner and Boeing Test Pilot Scott Tinnesand will discuss the benefits of mentorship.

John Nunes will bring several UAS to exhibit and answer questions on FAA Part 107 and Law Enforcement operations.

Seating is limited; **YOU MUST REGISTER ON FAASAFETY.GOV BY MARCH 27** so that we have an accurate headcount for catering!

Agenda:

0800-0900: Fly-In, continental breakfast and socializing
