

FAASTeam Scottsdale FSDO presents:

**FAASTeam booth March 23rd and 24th 2019 0900 until 1700
MST Davis Monthan Air Force Base Airshow**

The FAASTeam booth will be under the sunshades in the STEM section ((Science, Technology, Engineering, and Mathematics). There will be a display of Unmanned Aircraft Systems (UAS) / Drones and information about how to register, mark and safely fly your Unmanned Aircraft Systems (UAS) in the National Airspace System.

If you own a "small drone that is less than 55 pounds, you can learn how to fly for work or business by following the Part 107 guidelines." We will also have information to share with youth and adults about aviation careers!

Booth participants include:

Tina Buskirk, Aviation Safety, Scottsdale Flight Standards District Office, FAASTeam Program Manager, Operations

Ernest R. Copeland, FAA Safety Team Program Manager (Airworthiness), Federal Aviation Administration Scottsdale Flight Standards District Office

Representative Virginia Elmgren Unger

"Whether you're a new drone pilot or have years of experience, rules and safety tips exist to help you fly safely in the national airspace. To get started, be sure to select which type of drone user you are and find out what rules and regulations apply to your specific situation. You can then begin researching where it is safe to fly and when you need approval to fly."

Directions: The FAAS team booth will be under the sunshades in the STEM section ((Science, Technology, Engineering, and Mathematics)

Gate Information for all Air Show attendees:

<https://thunderandlightningoverarizona.com/directions-and-maps/>

"Craycroft and Swan gates will be used for all non-ID card holders and all handicapable.

Both of these gates will be open at 0900 for both days of the Air Show. All non-ID card holders will be directed to general parking, expect up to a 1/2 mile walk to the Show Floor.

All handicapable will be directed to closer parking, expect about a 3 minute walk to the Show Floor.

Parking will be free for all Air Show attendees."
