

## Southeast Arizona WINGS Seminar

Brian Schober, President - Arizona Pilot's Association, will discuss Backcountry Flying and cover where to go in Arizona - from pavement to dirt path, what to bring/not to bring, density altitude and weight & balance.

Jon Nelson, CFI, will review selected GA aircraft accidents, following each with a group discussion that focuses on "What would I have done" to prevent them. Attendees will be encouraged to share relevant personal stories.

**Directions:** Flying In: Transportation to the event and return to airport will be available. Please contact James Short (contact info below) BEFORE the event date if you will be flying in and need transportation.

Driving: from the intersection of Fry Blvd & SR 92 drive east 1 mile on SR 90; turn north on Guilio Cesare, then 0.4 miles to Public Works parking on the right. Look for event signs.
