

Scottsdale FSDO FAAS Team presents:

Pilot-Controller Forum for KTUS

Military, Airline, Cargo, General Aviation pilots, Ground Operators and safety advocates are welcome and encouraged to attend. This meeting includes a presentation of the recent incident history at Tucson International Airport and an open discussion of Runway Safety.

Participants are asked to help develop recommendations and solutions to enhance surface safety by eliminating wrong surface landings, runway incursions, pilot deviations and jet blast incidents and accidents. Your recommendations will assist the Runway Safety Team as they continue their efforts to improve safety at Tucson International Airport.

If you are unable to attend, please email your recommendations, comments and/or questions to Charlotte York, Tucson ATCT Support Specialist, by noon, Wednesday, April 3, 2019. Charlotte.York@faa.gov

This meeting is expected to adjourn at 17:30 pm Arizona time (GMT -7)
See you there!
