

Scottsdale Flight Standards District Office presents:

**(REGISTER BY MAY 24) - Southwest Aviation Weather and  
Safety (SAWS) Workshop VIII**

Please join the National Weather Service (NWS) as we bring the southwest U.S. aviation and weather forecasting communities together to promote aviation safety and productivity through improved weather awareness and forecasting services. Topics include: Aviation weather safety and preparedness, interpretation of graphical forecast products and web services, aviation outreach and applications, best practices in aviation impact-based decision support services (IDSS) and tools, GOES 16-17 satellite innovations and advancements, and TAF improvements including Digital Aviation Services (DAS).

For more information and to register by Friday, May 24th, please go to <https://www.weather.gov/psr/SAWS>.

**Directions:** From Arizona loop 202, take exit 7, Scottsdale Rd./Rural Rd. Turn south to Rural Rd. In approximately one mile turn right on to E. University Dr. In approximately one half mile, turn right on to S. Forest Ave. The Residence Inn is a quarter mile on the left.

#### **A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
