

Mid-Air Collision Avoidance (MACA)

This briefing will cover the different types of special use airspace, military training routes, as well as the 56th Fighter Wings mission. They will outline how best to cross Military Training Routes (MTR's) as well as how to fly safely around Special Use Airspace (SUA)

Directions: If you fly in, please park on mail ramp and walk to Community Center

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
