

Scottsdale FAASTeam presents:

Operation Raincheck - a Tour of Phoenix TRACON

DUE TO SECURITY REQUIREMENTS, ONLY OPEN TO U.S. CITIZENS. PHOTO IDENTIFICATION REQUIRED TO ATTEND. REGISTRATION DEADLINE IS OCTOBER 25. Please join us at Phoenix TRACON for Operation Raincheck, presented by the National Air Traffic Controllers Association and the FAA. This program allows controllers and pilots to interact one-on-one with a short presentation followed by a question and answer session. Discussions will include best operating practices, review of Phoenix area hot spots, Class Bravo transition and a general overview of what controllers do at the TRACON. We will conclude with a tour of the TRACON and PHX tower.

Directions: Parking is available in short term parking between terminals 3 and 4. Parking cost will not be validated. The entrance to the Air Traffic facility is located on the south side between terminals 3 and 4. There is a small security building to the west side of the control tower where visitors are to go through for screening.
